“ *As Kayla said we might be a small family, but we are a loving and caring family. I grew up many miles from the rest of my family but my fondest memories are of summers and some holidays in Greer. Christine and Owen Dean are my first cousins and I love them so much. My heart is breaking because I cannot be there with them right now, but my thoughts and my prayers are with Chris, Tracie, Robin, Kayla, James and Brynley during this time. Heaven definitely gained an angel and I know we will all meet again one glorious day. Owen Dean was a fine man who loved his family with all his heart and he will be missed but never forgotten. My deepest condolences are with you all and know that I love you all very much.*

“ *My Uncle Owen Dean will surely be missed. He was one of the most happiest memories I have when I was a little girl. I am so glad I got to see him in the hospital and he even ate some of the blueberry pound cake that I took him. That will always be one of the things I will remember now and treasure that I actually fed him. He told me I had an imaginary friend and her name was Pasay, (Im not sure if that is the correct spelling) however, he called me that all my life. To Aunt Chris and the whole family our prayers are with you and We Love you Very Much.*
