“ There are no words that I can put together to describe the deep love and appreciation my husband and I have for this precious friend and his wife, Wan. A friendship we didn't see coming, and lifelong memories that will never end. Davis, you are with sweet Wanda now... where your heart has been since she went to Heaven. The angels won't be able to wipe that smile off your face. D, you were the best. Thanks for praying for us all these long years. We are honored to have been your friends. ❤️

I worked at Lewis's with Davis for at least 7 years. I am Flooded with such Wonderful memories of Davis and Wanda! They both were so good to me. Davis took the time to ask me if I wanted to pray, and right there at Lewis's office he prayed with me. I was a teenager, and what he did for me truly changed my life. He was there for me when my brother (Dewayne Mason) died, and he sang at my wedding. Davis as well as Bucky and Lewis were "my family." I watched Pete and April grow up! I am truly sorry for the families loss!! I love each of them very much! I am a better person just for having them in my life!

“ *Sorry to hear of the passing of Davis. He was an old childhood friend. I lived across the street from him before the GSP airport was built. I used to play with Davis and Bucky often. The last time I saw Davis, he had a barbeque business on Reidville road, and that was a number of years ago. My family and I are praying for Davis and the rest of your family.*
