“ I remember all the times you use to come to Georgia to visit me and the rest of the family. Those days were so long ago. I don't know why you left but I know that you are now in heaven with your Dad and my mom and your brother and all the other loved ones who are there with you. And I won't you too dance on the streets of gold with all of them for me. And give my Mother a hug and kiss for me. I know you are going to be truly missed bye all that love you. You left Way too soon sweetie. We had so much to catch up on, but just wait for me to join you when my time on earth is done and I promise we will catch up then. I Love you and will miss you dearly. Rest in peace.
