“ As newlyweds, I still remember sharing a home-cooked meal introducing our husbands to a vegetable unfamiliar to them. For Vance it was Pinto Beans, if I recall correctly and for Roy it was Turnip Greens. To this day Roy will still not eat them. Our prayers are with your family.

Tricia was my roommate at Clemson and I loved her to distraction. I'm so sorry we didn't get together as little old ladies. God go with you as you walk without her...
