“ Dear sweet Patti, I can't believe you are gone! You were a beautiful soul on this earth, so full of life! I can see you dancing to the music in your cowgirl boots and your cowgirl hat! I can see you hugging everyone before you left for the evening. I can hear you telling me that you were praying for me! Heaven gained an angel and we, your friends, will miss you terribly. I wish you peace on your final journey. To your family: Sending you all my condolences and prayers for your loss. Patti will be missed. She was loved by everyone who knew her
