Pat was the most fun loving person. Already miss the fun times we would have---doing anything. She was always ready to do anything, I rember a time I said " Pat, let's" before I even finished, she said "YUP" and we laughed. We will the times we went traveling up and any road. W

I am so sorry for your loss. Your mom was too young and lively to pass this soon. She was a friendly, thoughtful person. Knew her forever..
