“ I worked with Pat years ago @ Trident Medical center as well as Trident Surgery center. She was an excellent nurse & I felt privileged to work with her & to get to know her. She was very bright & had a quick wit. Her skills & talents went beyond the O.R. She was quite talented in art, & shared some of her pieces for us to enjoy at the surgery center. She will truly be missed. So sorry for your loss.

“ So very sorry to hear of Pat's passing. I knew that she was having some serious health issues. The only comfort is knowing that she is no longer in pain and in the loving hands of God. Praying for peace and healing for Pat's family and friends.
