“ I worked with Pat at Buena Vista. During the years I taught special Ed Pat was always so willing to have my students mainstreamed into her classes. She went above and beyond making my student feel a part of her class. Sending prayers of comfort to her family.

“ Pat and I were good friends when we were in high school. I would park the car at her house and then we would walk to the football games. We shared many laughs and she helped me with my Latin translation. We roomed together the first semester at Winthrop. I have many fond memories of our times together. I send prayers to her Mother and her family. She was a sweet and very intelligent lady. *Elsie Moon Callahan*

“ I worked with Pat for five years, and it was an absolute pleasure. I loved her sense of humor and her passion for history. She was a dear friend and I'm sad that she didn't have more time enjoying her retirement, and her family. *Your family is in my prayers!*

“ *Mrs. Kilgo was a teacher of mine while I was a student at Grove Elementary. I am now a teacher at Grove. I remember her as a teacher with high expectations and with a heart for a little girl whose parents had recently divorced and was having behavioral problems in class. Even though I was a talker and would get in trouble, Mrs. Kilgo always treated me with respect and love and prepared me for the days ahead. She was valued and a true educator in every way. Her compassion shined through daily and she is one of the many teachers that I try to model my current profession after.*

“ I am so sorry for your loss. I worked with Pat and every time I ran into her she would be beaming about her grandchildren. She really loved them and enjoyed every minute she spent with them.
