“ Dear Kevin, Amy and families,
Please know that you and your families are in our thoughts and prayers during this time in your lives. We both love your Mom, and Leon would really get a laugh when she would call him Luther. We shared many, many good times with her and they will be cherished forever. We never want to accept that at sometime in our lives God will call our parents home with Him and leave us without our best friend, but we also realize that we do not want them to feel pain nor to suffer. Always remember that God only takes the best and one day you will be reunited with your Mom. We love you, Chris & Leon##imported-begin##Leon & Chris Smith##imported-end##

“ Amy and Family,

I knew your mother for years as we worked together at "Ma Bell". She was a lovely person and had such a dry wit about her. I know you are grieving and will miss her terribly. Remember to take strength from family and friends and that will help you through.##imported-begin##*Alecia Palmer*##imported-end##
