“ *Chuck and family I was so saddened to hear of Pat's homegoing. But because of how happy she must have been to meet her Lord, Carl & Melody; I couldn't wish her back here. Pat & I shared a special friendship. You see for one thing we shared the same birthdate. Pat missed her little girl so much and she would talk of her often. Of course no one could be prouder of Chuck and his family. Pat loved her Church family and missed being there when she could no longer be there. She didnt pocess alot materially but always shared what she had with others. You will be missed my dear friend.*
