“ To the Thompson Family, please accept my condolences. I just now found out about Patty. We worked together in the early days of TV 16 up on the mountain. I was program director and she was the secretary. We had such a good time laughing and talking of course working. At times when no one else was there but the 2 of us, Patty would lock the door and when anyone came to the door Patty would ask "Who's there?"She would not open the door to just anyone either. Our offices were side-by-side. We were glad b/c we could protect each other. lol Patty was an awesome person to work with and helped me out tremendously the first few days on the job. We worked together for two years. I thank God for that opportunity. I kept a diary about the beginning day and Patty is in it, of course. It will be a while before I finish it but the name of the book is " That's the Power of the Holy Ghost-the Beginning of TV 16 ". I am sure you all will want to get a copy.

God bless you all.

“ *Billy, Trey, Tara and family, Patty loved her family so much. When she came to dialysis there was always a story to tell or pictures to see of you. I enjoyed her love and humor. She also had a passion for Jesus. With tears in my eyes I know she's rejoicing in heaven right now.*
