“ *Mr. Jack and Jackie, I just would like you to know that I loved Mrs. Pat dearly and as you know Jackie, I took real good care of her at Magnolia Place. We laughed and we shared things with each other that only she knows. I know it's hard and just know am always here if you all ever need me. Just know I loved your mom and wife and am deeply sorry for your loss. Pat as your soul makes it's transition to that better place, know your memory will never be forgotten!##imported-begin##Marlene King##imported-end##*

“ Jack and as Pat would say "her girls"

Just wanted you all to know that because I knew Pat-Pat that my life was definitely brighter. I know I laughed a whole lot more and cried a little less because she was my friend. She always had her own little Pat's World spin on everything-like the time I had to give her a Performance Review and she sprinkled my office with pink rose petals to butter me up. We could not stop laughing that day. She was a joy to know and a pleasure to work with.##imported-begin##Stevi Smith Wansley##imported-end##

“ Kelly,

My thoughts and prayers are with you and your family at your time. If there is any thing that I can do, please don't hesitate to call me. I'm still available. I know people always say that at times like these, but I mean it from the bottom of my heart. Be strong and ask for guidance and strenght! Love you!
