“ I have very sad news. My nephew Patrick Phillips passed away Monday Dec 9th 2024.

Ever since my partner Nora and I moved to Brevard NC in 2007, Nora's mom and sister invited us down for holidays and birthdays to their apartment in Greer SC (90 minutes away). Patrick was always there and often his best friend Johnny too. They were always very helpful to Nora.

When Patrick's grandmother, Camilla, passed away in 2017, Patrick moved in with his mom, Chris Ann, and always invited us down.

When Chris Ann passed away in 2020, Patrick moved in with Johnny and continued the tradition of inviting me and Nora down. Even after my partner Nora passed away in 2023, he and Johnny always invited me, his 'Aunt' Lisa, down for holidays and birthdays. Patrick was an excellent cook.

He also enjoyed helping the camera crew in the Production Ministry of church, Redemption Outreach and the music for their DJ service, The Party Machine. He loved every minute he actually got to DJ.

Patrick took great pride in his customer service for his gig work with Food Delivery companies like The Bite Squad and Door Dash. He was critical of coworkers or businesses with poor customer service, especially in his online persona as Corleone, the Godfather.

He was gifted with practical intelligence, 'Street Smarts'. More than once, when I was trying to solve a problem to help Nora, he took me aside and with a twinkle in his eye, said "Do you want to do it the hard way, or the easy way?" I have many other fond memories.
