“ *Many years have passed since Patsy and I crossed paths. The most memorable days were when the Kentucky Schmidt's came north for a week or two on some Wisconsin lakes. The last of those lakes was Namakagon at Mogasheen resorts. We had a blast running around the lake with a resort boat and 7 horse evinrude motor. We caught a lot of fish, fun and sun.*

During those weeks Patsy was a sublime southern Mom feeding us hush puppies with our fried fish. We couldn't get enough of those hush puppies. Thank you Patsy for those memorable summer days on the lake. Go in peace and love – hopefully we will cross paths on the next go around.

Over the last few years my mother, Esther, has expressed mixed realities that reflect her mind. It seems new memories are lost quicker than the old. She loved those summer weeks with Patsy, Gordon, Mike, Rhonda, Beth and Gordy at Mogasheen, our Golden Pond.

We wish “y'all” to know love during your life's journey and in the end - happiness.
