“ *To The Watson Family: Craig, Trish, Bo, Bailee, and the other members, I am so sorry to hear about your mom today. I know she fought a good long fight and and it was just time for Jesus to call her home to be with Benny again. She is no longer in pain and and just think she's running around breathing on her own. May your special memories of her carry you and put a smile on your face. She loved her family so much. Keeping your family in our prayers during this difficult time. We love you and are here for you.*
Love,
