“ David lived his life by his strong convictions. He was a man of great faith and was a true friend. He will be missed but he is with his Savior, Jesus. All of the endless treatments are over and he is now completely healed.

“ David and a couple of his friends moved me and my daughter on Thanksgiving Day 1989. He and his college buddies sometimes met for meals and traveled to singing events. He introduced me to the writings of A. W. Tozier. He was a good guy and a Dedicated Christian. I have son seen him for many years, but value the memories I have of him and his friends from Holmes (Steve and Christina).
