“ *Paula and Browning, I just heard about your dad and I'm so sorry to hear this. This is Janie Davis who is now 92 and I cleaned your parents home and even took care of you so many years. I loved both your parents and you two as well. My prayers are with you at this time of sadness so please know that God is with you. Heaven gained two beautiful people who are missed greatly. My daughter Nanny is taking care of me now if you remember her coming with me to work sometimes. She do a good job. She is writing this for me what my heart feels. Please know that I love you and do take care of yourselves.*

Love and prayers
Janie Davis.

Dear Janie, Thanks for this beautiful note from someone who meant a lot to me when I was just a girl. It has been sad saying goodbye to my good old Dad, but he is now in Heaven with my momma and sweet Jesus. I remember how much he thought of Melvin over the years. Your prayers mean so much. I'm happy to hear you have your daughter, Nanny, taking care of you now. I actually do remember her, and I know you're proud she's there when you need her. I send my love and hope maybe we could talk sometime. You are a special person. Many thanks and prayers for you, too! Paula Wade

“ *We were neighbors for years! I remember those days well and your parents. Seemed like your dad was always working in the yard. Thinking of your families at this time. Laura.*

They stayed in that house until my dad had to leave due to his health only about 5 years ago, I think. I appreciate your kind words and thoughts, Paula Wade

“ I'm so sorry about Your loss but heaven gained an angel on Wednesday afternoon. Mr Paul was a good man , he was a good husband and always talked to anybody. He didn't meet a stranger. I so enjoyed taking care of him and Ms.Wade. They were characters. They kept me laughing. I think about them a lot. Love and prayers to all of his family.

Julie, I hardly know what to say to you and how much you meant to our family for so long. I know he's there in heaven with Mom and Jesus where he really deserves to be. He lived such a remarkable life, in the best way possible...he cared for people, gave love, took care of us, provided humor (well, it was not always funny, but he tried...) loved God and taught others to do so. We need to talk soon. Love you Julie.

“ Dear family of Paul and Harriette , I met your parents while employed with a home health agency several years ago . They were both witty , kind and always welcoming .. I remember your father saying with his dry wit , " Who do you think I am , Joel Bieber " ? It was so funny . I also remember some of Mrs. Wade's funny songs and interesting stories . I am smiling now remembering your parents . . . I am sorry for your loss ..With sympathy , Janet Cowan
