“ I still remember all the times in my teen years I spent up at Frankie's house. I was always treated just like her son. Miss Pauline would get on me just like Frankie. I will always remember she would ask if I wanted something to eat every time I came in the house. I loved her just like a mother ( which she was ) to all of us kids in the neighborhood.

*Love and prayers to the family, so sorry we lost a great neighborhood MOTHER !!!!!*
