“ To Mrs. Belue's Family, I just found out about Mrs. Belue's passing. I met her while sitting with someone at the nursing home. The first time I saw her she was sitting in the hall and as I passed her she looked up at me and smiled....not only with her mouth but with her eyes. I had just lost my mother several weeks before and her "smiles" reminded me so much of my Mothers. I always told her that she was the sweet angel that my Mother had sent to me. I enjoyed sitting in her room and talking to her as she showed me pictures of her Grandchildren and Children and bragged on what a great family she had. I met her Son and Daughter-In-Law but I'm not sure if you will remember me or not. Know that you are all in my prayers and know that Mrs. Belue is where she always talked of going....home with the Lord and her Husband, both of whom she loved dearly. God Bless you all!###imported-begin##Cindi###imported-end##
