James and Micheal I was so sorry to see that Peggy had passed. It's like losing a sister to me. We had some good times when we lived in the duplex side by side. We are thinking about you.

I would like to say to Peggy's family that I am so sad for their loss. Peggy was a wonderful person and I loved her very much. I've known her for 34 years through the credit union and Homelite. Jo Ann Howell and I would take my son, when he was little, to her house during Christmas. She decorated it so awesome and my son loved going there. She will be missed and remembered with love.
