“ Dear family, Peggy was a lovely lady who was always so helpful and friendly to me when I went into the store to shop or to just chat. I also enjoyed a few visits with her at Ashland. I have fond memories of this charming friend. Albert too was a joy to have lunch with when he and other school board members would come to school and have lunch with teachers. He often sat with me because he knew me and he liked to tease me about driving a Cadillac. Both your parents were special. You were fortunate children.
