“ I wanted to take a moment and pass along my very deepest sympathy to the entire family in lieu of Perry's death. I met Perry some years back at the YMCA as I was a spin instructor there, and he often came to my classes. I would periodically run into him at the YMCA or in the Tri shop or other cycling/racing events. He will be deeply missed, and I will keep your entire family in my thoughts and prayers during this time of mourning. God bless you all.##imported-begin##Erin Leopold##imported-end##

“ *Toya you and Taylor and your family are in my thoughts and prayers. Perry was not only a great manager but he was also a very good friend. He was always there when you needed him, and he would always be there to help you when you needed it. His sense of humor and even the way he was as a manager he will be greatly missed. We have a black bow hanging in memory of him in the front of the store. Taylor, I know most of all how you feel I lost my dad years ago but it still feels like yesterday that i lost him he was not only my dad he was my best friend. And Toya my mom said to tell you that you are in her thoughts because she knows how it is to lose the love of your life suddenly. If you or taylor need anything do not hesitate to call at anytime - 864-433-0635###imported-begin###sharon harrington from jack in the box in duncan ###imported-end###*
