“ Cindy and Ashley, my heart goes out to you during this difficult time. I work with Phyllis for many years at Spartanburg Regional on Post-Partum/Mother-Baby. She was an awesome nurse and friend. I haven't seen her in hers but think about her often. Offie, who worked with her alot too, talks about her too. She was a special lady and will be missed by many who knew her. My prayer for you is that God will give you "the peace that passes all understanding" during these difficult days.##imported-begin##Yvonne##imported-end##
