Mike and Robbie, your Mom and I became close friends when we worked together at United Merchants & Manufacturers in the mid-to-late 1970's. She spoke of you two often and with much love. We stayed connected after I left UM&M at Birthdays, Christmas and sharing lunch together from time to time. After reading all these tributes to her, all I can say to them is "AMEN"! She was a dear, sweet lady and my heart grieves for the family she left behind, but not for her - for she is walking those streets of GOLD! With my love and prayers, Carolyn Sammons

A lovely lady inside and out. I still think of her when I talk to her neighbor and my niece Lori. I'll always remember our visits on her side porch.

We will always remember her sweet smile, kindnesses and joyful spirit. Praying for you all to be comforted by our Lord Jesus today and the days ahead as you grieve her loss, and cherishing the sweet memories of her. “ *My Mom was always a Mom. Sometimes overprotective and that's what mine did, as all Moms are. She was an encourager and a fierce ally. I loved her and she was always saying, you can do this. We helped each other over many years. She loved of course Robbie and me, her grandchildren, and great grandchildren. I'm sad but her memory will last forever. See you one day in Heaven Mom.*

Phyllis was a special lady! Loved working with her at JPS. On many days after work Phyllis, Kat and I would go golfing at GCC and all three ride on the cart in her red golf cart. She was a good golfer and tried to help Kat and I with a smile. Our thoughts and prayers are with your family.
