“ I don't the feelings you girls are going through at this time. I can't imagine the loss you feel. I too loved your mother and will miss her. She had a wonderful sense of humor and loved to pick and joke with the staff. If there is anything I can do please call me.

One thing we all know is that Phyllis is no longer suffering and is whole once again and walking the golden streets of Heaven.

The one peace we have is that I know your mother had faith in Jesus and was a believer. She and I had several long conversations about her soul. I know that we will all see each other again in our new bodies in Christ.

Your friend,
