“ *Mr. Jim & family,*

You all are in our thoughts and prayers! We are sorry for your loss, but know that Ms. Polly is in a better place and no longer suffering here on this earth.

We pray that God will give you the strength and peace you need to go on in the days ahead and May the precious memories you hold so dear in your hearts give you some comfort during this difficult time.

We were neighbors with Jim & Mark and became close friends for over 20 years. We love them as family.

Whenever we would see Ms. Polly she was always so sweet & would be sure to say hello.

*God bless you all! We love you,
With deepest sympathy,*

“ I knew Polly through Jim and Mark. I became friends with them when I moved to SC about 8 years ago. We became family very quickly and I know that had a lot to do with who Ms. Polly was. She created a loving family that extended to many kids, grandkids, great-grands and a great-great grand. She was loving and special and I know that her memory will last forever. My deepest thoughts and prayers are with the family as they navigate through this time. Love you all.

“ I got to know Polly through Matthew and Kenna's marriage. She became an example of perseverance to me. She battled through so many things, but one thing was most evident. She loved her family and enjoyed being around them as often as she could. A kind and gentle soul to me, she was always so kind and so gentle. a favorite song of mine is by Casting Crowns. A line in the song says:

*"I know the road you walked was anything but easy
You picked up your share of scars along the way
Oh, but now you're standing in the sun
You've fought your fight and your race is run
The pain is all a million miles away."*

That is a great description of Ms. Polly. Now, she is resting in the Savior's Arms.

“ Have so many great memories of Miss Polly...She grew up and was close friends of my late father, Billy Mack Oliver and his brothers and sisters. They went to school together and played together. They stayed friends through adulthood and then later, many years later. I met her youngest son, Tracy at a company that he and I worked at. He then became one of my closest friends and a brother to me. We didn't realize until Polly and my dad told us how close our families were. She always made me feel like a family member every time I visited her home. I later met Jim, Fred, Frieda and Sheila, all of whom I cherish like my own family. Polly always had time for talking and giving motherly advice which, I always appreciated. She was such a beautiful soul and wonderful family friend. She will be greatly missed but thankful for the time she had with us all.
God Bless Tracy, Jim, Fred, Frieda and Sheila.

“ My Aunt Polly was such a strong woman who took care of her children as a single Mother. I have so many memories of her. But every memory reminds me of her love and fortitude. I will cherish her in my heart forever. That warm stove and hot chocolate mornings will forever be in my mind!
