“ *Kevin and Family, I am sorry for your loss, your mother lived every day to the fullest and she loved unconditionally. Her smile got a little bit brighter anytime she got to say something about her family that she loved and cherished dearly. She was a special little lady who brightened many of my days and I loved her dearly. May you feel Gods love, strength, and mercy during these days ahead.*

“ To know Polly was to know unconditional love! A true prayer warrior and Chaplain who visited the sick and prayed the prayer of faith that pleased God. What an example! I can still hear her say, " Take hold of the horns of the altar children until you pray thru! " We will always miss your beautiful smile and remember how very much you loved your family.

Love and prayers Kevin to you and the family,

“ *Polly is such a big part of my teen years. She taught me to sing alto; she took me with her when she went to visit church members. I was her summer maid and cleaned her home when I was out from school. I could go on and on. I will never forget her.*

What beautiful memories over the years with Uncle Allen and Aunt Polly. Aunt Polly helped me get my driver's license. We celebrated at Cannon's afterwards. I baby sat Kevin and Amanda a lot. Sorry I can't be there today. Love, prayers, and God's blessings to family.
