“ I’m so sorry and my heart is broken. Polly and I were classmates at North Greenville where we were academy students together. I have fond memories of her and her family as I had the opportunity to visit in her parents’ home and also with her and Glenn in their home after they were married. I pray that all of you will be comforted with God’s perfect peace and love during your time of sorrow.

Sincerely,

Barbara Ann Hollis Kennerly,
Williston, SC

“ Suzanne, I am so sorry for your loss. Mrs. Mason was one of the most precious ladies I was ever privileged to know. She was unlike anyone I have ever met. Her life was always about considering others more than herself. Heaven is rejoicing and we are too because I know where she is and I hope to see her again one day. Much love and prayers for you and your family.
