“ *Darron and Christy,
So sorry to hear about Polly. She was so sweet and kind to my girls.
The girls often talk about her, especially how she gave them candy
and made pillow cases for them. (we still use the pillow cases and
they make the girls smile)
She was an amazing lady and reminded me of my grndmother who
lived to be 99.
May God bring you comfort in the days ahead. Remember all the
wonderful memories you had with her! Plese let us know if you need
anything.

“ Dear Darron, Christy, Nicholas, and Nichol: Words can't express how saddened we were to hear about Polly's passing. We know the laast few weeks have been especially difficult. In her prime, Polly was a larger than life character who had a real zest for life. We are glad that she was a part of our lives for the last eight years. She will always be remembered for her humor, patience & great stories. Our best humorous memory: the time Doug enlisted Polly & Muriel to be backyard furniture guinea pigs for a do it yourself project a few summers back (several engineering versions were involved). We hope that as the days pass, you all will feel comforted by the support of family and friends, and that you will find lasting memories that give you joy. Doug, Leslie. Jennifer and Muriel

“ *Polly was a blessing to everyone she met. We have fond memories of her at our neighborhood get-togethers teaching the children how to bob for apples when she was in her 90s. She was an amazing lady, and we feel blessed to have known her.*
