“ Another STAR in Heaven! I am sending a dove to heaven with a parcel on its wings. Be careful when you open it, its full of beautiful things. Inside are a million kisses wrapped up in a million hugs - To say how much I miss you and to send you all my love! Thank you for letting me be part of your life as a young child and watching you grow to become a young gentlemen. You taught me how to play Battleship and I taught you the game of Chess. You made me watch Nickelodeon and I made you listen to Elvis. Days in the sand, water fights in the yard, sharing Southern and Midwest food, laughter, popsicles before bed and beating me at the Pizza game. I hold you close within my heart and there you will remain, to walk with me through out my life until we meet again. As promised, I will always take care of Gizmo and I thank you and your Dad for bringing him into our family. Prayers being lifted for the family. Love,
hris, Doug, Megan and Gizmo
