“ I was fortunate enough as a young lawyer to appear before Carey many times. On each occasion whether it was a trial or a preliminary hearing I knew several things would happen. My clients would be treated fairly, I would be in the presence of a true gentleman and we would find something after the hearing to laugh about. He was one of a kind.

“ I was Judge Werner's administrative assistant for a year back in the mid-80's. He was a mentor to me and I learned so much from him. He was also quite a character and there was never a dull moment at the office! My condolences to his family.

He loved his wife and family and was always there to be of help to those in need. I will miss his stories of his life and incredible singing voice. Carey will always be remembered with love. “ I succeeded Judge Werner on the bench of the Greer Summary Court. Carey himself recommended me to Senator Verne Smith to fill that post, and it was a humbling honor to be appointed by the governor as a result.

Carey's and my friendship went back to 1961 when, as a 12-year-old boy, I moved with my family to Greer from Virginia. My father became pastor of the First Baptist Church in Greer, where Carey sang solos now and then. Over the years I complimented him on his singing, and in turn he always had a gentle, friendly greeting when I visited home from wherever I was living. I'll never forget the day, after I moved back into Greenville County, when he called and asked if I would like to become a magistrate. It was the hand of God on him, and became the voice of God in my heart. He was profoundly instrumental in God's providing for me and my family until I retired.

Envision it now, that after long years of blindness here, the first sight dear Carey had upon his final breath was his Savior, Jesus Christ, in the glory of God.
