*I just found out yesterday that Aunt Rachel passed away. I really wish we had known because we would have been there to pay our respects. I can't believe how much she looks like Momma in the pictures and video. I know you all miss her dearly. Praying God will comfort you during this time of loss.*

*Rachel was my boss when I worked in the office at Belk in Greer. She was a very nice person and was easy to please and to work with. My sympathy is with all who loved Rachel and who are grieving her loss!*
