“ *To Rebecca & family.*

*Penny & I were very saddened by the news of Randy going home to the Lord. Yet,, we also had a great discussion on how nice he was,, how dedicated he was to the things he enjoyed. Metal detecting has allowed me to make some great friends,, and I've always counted Randy among them. When he took over the reins of the SCTAA from me,, I KNEW it was in very capable hands. He didn't prove me wrong,, and working with y'all was great. Truly a loss for the world when a kind gentleman like Randy leaves us.*

*Sadly,, I will be out of town when services are planned for. I'm leaving Monday & gone all week. So PLEASE know that you & your family are in our prayers. While we can't be there in person, we'll be with you in our hearts. God Bless you & your family.*
