“ Our Thoughts and Prayers are with the Galloway family. My grandmother Putnam was a neighbor to the Galloways and shared a party line on the telephone. This is truly a very special family. The Putnam Family

“ Randy always had a smile on his face and true gentlemen. While I never took him up on his offer, Randy never stopped trying to get me to go up in his airplane. My thoughts and prayers are with the Galloway family. Deepest sympathies, Fred Ciacco

“ Deno and I have been blessed by knowing Randy and his generous, caring, Christ-like heart. Along with so many others, we are confused by this wonderful family's loss but have no doubt God's comfort and presence will be with them constantly. Every time we are reminded of him we will be inspired by his walk with Christ.

“ Kay, Cassidy, and Zeke, The loss of Randy is so desperately unfair. He was all of the kind words others have already mentioned and so much more.

*Here's a fond memory I can share: When in their teens, Randy and Ken came with Aunt Artie and Uncle Gerrell to visit us in Michigan. Instead of finding the neighbor kids to be a nuisance, Randy thought of fun games for them. He swung them around playing "airplane" and had them stand on a board with their eyes closed while he and Kenneth lifted the board. Although they only lifted it a little, Randy made the kids think they were going really high by lowering his head as he told them how high they were going.*

“ Mike, Susan and family ... we are so sorry for the loss of your brother, though your loss is heavens gain ... God had Randy's mansion ready to welcome him home ... still, we know the valley you go through is hurtful ... we pray that God's sustaining power will engulf you all and draw you closer to Him...may you dwell on all the sweet memories and keep hope that this is only temporary as we'll all meet again some day on the other side in His Glory where there will be no sickness, sadness, or sorrow, but peace joy and heavenly bliss.

“ *My heartfelt sympathy goes out to the Galloway family. I worked with Randy at BAX Global for many years and he was always one of the kindest, funniest, and upbeat guys I ever met. It is very hard to understand why things like this happen, but I am thankful for Randy's time here on earth and the positive influence he had on so many people. May God's comfort and peace be with each of the family members in the days ahead.*

My prayers are for comfort and peace for his family and friends. May he rest in peace, rise in glory and fly with God's angels, for he is now one of them.*

“ Dear Galloway family,

*Randy took our son on his first airplane ride. Randy built the swing set that our daughter enjoyed for years. Randy was an outstanding friend, father, role model for many. We will always remember his smile and his kind and generous nature. He was an example of Christian beliefs in action.*

*We will keep praying for you all, Kay, Zeke and Cassidy and that God can be with you and provide you with the peace you need at a very, very difficult time. Your family is loved by many. May you find comfort in God's word.*

“ *My sincere condolences to each of you. May The Holy Spirit bring you peace and comfort. Let God have your pain, your frustration, anger or confusion. We surely don't understand why we have loss in our lives, especially for those as young as Randy, but God is sovereign and has a perfect plan. I'm sure Randy's faith will be passed down from generation to generation. God bless you all.*
