“ Sad to learn that a great person, father, husband and friend has passed away. Randy was such a great friend and I so enjoyed working with him these past 12 years in property management. You could not meet a nicer person. I've witnessed him doing many good deeds for people on a regular basis that he went out of his way to help. It didn't go unnoticed Randy. I was one of these people he helped out and I never forgot his generosity to help out a friend. He helped me move one day when I had no one else to help me. 5 hours of moving furniture and he didn't even want to take payment for it as this was the type of person he was. Always helping people and it didn't matter if they were friends, family or strangers. He loved his wife, his kids and especially his grandchildren. This pains my heart that his family is missing him now. Just know that he was a great man and he was loved by all his friends. He was a very special person and it was an honor to know him.
