“ *Many fond memories of my childhood with Randy have flooded my mind over the past few days. We played in the creek and the woods, we were race car drivers on our bicycles, we were The Beatles when we played their records, we were anything we wanted to be. I am so thankful he and I got to renew our friendship over the past year or so. He will be greatly missed. Tell us what you need and we'll do our best to help. God Bless.
