“ Tammy and David...I am so sorry for your loss. He was such a good man. He was always so nice to me when I come to visit. I know you will both miss him dearly and I know you're feeling a pain in your heart that can only be matched by how you felt when you lost your Mom, but hang on to the special memories. And know that he is in Heaven with Sandra and Tim and this is not good bye...because you will see him again! May God give you both (and the rest of the family) a Peace that surpasses all understanding. Please call me if you need me for anything!

*Love you*

“ *We're going to remember the good times we had with you and Sandra, when everyone was in good health, and the many times we took our vacations together and visited Myrtle Beach. We had such a great time staying right on the beach, our morning walks on the beach looking for shells, our great meals we prepared, and much laughter. A special memory of us was at the gift store and we were all trying on hats, bonnets. We were laughing so hard the owners came around to check on us. We were lucky we didn't get thrown out. There were so many more great memories we shared and we will remember those forever.*

*Now, you are finally at peace and with the love of your life and your son. What a celebration it must have been when Sandra and Tim welcomed you through the pearly gates. You are all together now and happy again.*

*We will miss you Ray, but know you are in a better place and in peace. We love you. Give Sandra and Tim our love.*
