“ I will always remember the wild stories Ray told me about things he's done in his life and people he knew. Over the years it has really been a blessing to have gotten to know Ray and know that no matter what, I could always count on him not only as an employee or coworker but as a friend. His ability to always make jokes and lighten the mood during work made the days we worked together that much more enjoyable. I am extremely grateful to have gotten to know him and that I was able to call him my friend.

God Speed, I know he will continue to watch over and protect those he loved.

I hope Ray's family will find comfort in that fact that he touched our lives and he is loved by his friends. He will forever live in our hearts and memories.
