“ Ray has always held a special place in my heart. He was smart, funny, honest, direct and accepting. I am sad to know that I will never be able to joke around with him again. Thank you Ray for taking me into your home and helping me get started in a new State as I was leaving the nest to become an adult. I will miss you.##imported-begin##Darla##imported-end##

“ I'm sorry to hear about the loss of Uncle Ray, what I use to call him. I have alot of good memories of spending summers with him. Our camping trips and the trips to have Chinese food at his favorite place in Denver. I sure wish I could have seen him since he moved to South Carolina. I will truly miss him.
