“ *Beck, I wish We had known you were sick. We all love you so much, you and Bud were the Best!*
I will always remember the laughs you and I had in the back of the van acting silly with Aaron and Darrel. Thank you for always being such a loyal friend. Everyone loved you dearly.

I know that Bud was waiting with open arms.

We are all Blessed to have known you.

I'm at a loss for words right now. To Becky's family I'm so sorry for your loss. I'm just finding out about her passing. She was truly a remarkable lady, so kind and such a positive and happy woman to be around. She will forever be missed.
