“ *Reg was a wonderful, caring man. I have always enjoyed working with him, advocating for our students. Seeing him just before Christmas, he was joking around about everything--and was more concerned, asking about others, than talking about himself. It was always great having him around, joking with him. I gave him such a hard time about his "notepad" that he used to schedule meetings. Reg, you will be missed by all. No more pain for you, my friend.*

“ Mr. Harrison is my father-in-law. He was a very selfless person that would do anything for anyone. He always put his family's and friends needs before his own. During my recovery he took me to work every day to Travelers Rest to make sure i was getting my life back together. I would not be the person I am today if it was not for him. I am honored to have not only known him but also to be a part of his family. The love and respect I have for him will never fade. I will see you in heaven my friend.

“ *I couldn't believe when I heard that Reggie was gone. We went thru school & church together, including in the same dorm at USC, Columbia. His Dad, George, & I sang in choir together. I can't remember the date of the last time we talked on the phone, but we did every few years. This world needs more Reg Harrisons, not fewer. My deepest sympathy to his family . . .*
