*I only met Don a few years ago, but knew his mother and step-father, Mildred and Woodrow Hanvey, very well. We enjoyed sharing stories of their love for beagles and field trials the few times we met. Pat Robertson*

“ *Don and I shared a friendship over the years, both as colleagues in ministry and as friends. Ours was a friendship that no matter how long since we'd last seen each other, we picked up right where we left off. We enjoyed each other's company, and time spent with Don was always a pleasant experience for me.*

“ Dearest Eleanor, Just found out from Carole about Don. My heart breaks for your loss, and I'm sending you many hugs. From what little I knew of him, he was a real sweetheart of a person. Even though we know he has gone on to a better place, it is hard for anyone left here to live daily lives without the physical support of someone so dear. May his memory give you joy and solace in the days to come. Sending love, prayers and blessings to you and your family. Love, Freida
