“ *Praying for the family in this difficult season. May the knowledge of where he is bring you comfort in the coming days, months and years. Though I did not know him personally, I was so blessed to hear of his ministry, knowing he impacted many lives for the Kingdom of God. May you all find comfort in the presence of the Lord.*

“ William Thomas Plemmons is an amazing Godly man. He still is because he is in heaven waiting for everyone. I never had a great friend and Brother who loved everyone like William. An amazing witness, prayer partner and leader in the prison and jail ministry. He devoted more than 50 years to leading people to Christ in his jail ministry. In jail and out of jail ministry most of his life. He taught me so much. I was thrilled when he took me under his wing and loved me, taught me and showed me how I should live for Christ. Our 4 years together in jail ministry was amazing. He always went to pray, teach and lead men to Christ. I watched the Holy Spirit work in our ministry meetings and saw many saved. Eighteen months ago we made our last visit to the Spartanburg County Jail Annex. In the church room that night we had many people, a full church. I led the service that night and had difficulty because a recent head injury had taken Scripture out of my memory. Near the closing I asked William if he would speak and add more of God's Word. He had been sitting, praying and singing "Amazing Grace" during my sermon. But at this time he stands up, speaks and presents the gospel. It was amazing. The Holy Spirit called men to Christ and almost 100% stoop up, walked forward and prayed to receive Christ. Amazing last service and William told me nearly every week he wanted us to return to the jail ministry. I will love seeing William in heaven soon. I thank and praise God for making William a part of my life. I miss him tremendously. ❤️🙏✝️🕊️
