“ *Dear Sis. Hatley & Family,
As a very young child and all down thru the years, I never saw Bro. Hatley without a smile on his face and I now know that he is seeing the smiling face of God because the Bible says "to be absent from the body, is to be present with the Lord". He truly set a Godly example with his life. I can't tell you with words how much I am going to miss him and his "glad you got to see me". You are in our thoughts and prayers. We love you so much!!
