“ My grandfather was a great man. To tell his life story would fill volumes and volumes. He did so many great things in his life, including fighting in World War II and leading countless people to Christ over his more than 50 years of pastoring. I learned so much more about him from living with him these last couple of years. The memories he gave us will last a lifetime and I will miss him so much. Thank you so much Granddaddy for being the solid rock of this family.##imported-begin##Aaron Poole##imported-end##

“ To know my grandfather was to know happiness, strength, courage and honor. He stood up for everything that was right, even if he was the only one standing. He will be missed by us all and had a wonderful impact on this earth and everyone he came in contact with. I will miss the way his face lit up when I asked him if he wanted anything sweet. I'll miss his laugh, his kisses and his hugs. But I am comforted in knowing I will see him again one day! Love you, Granddaddy!##imported-begin##Bekah##imported-end##

“ *The world truly suffers a loss in losing Preacher Poole but the LORD gained an awersone Angel.*

*We love and have missed him since leaving Providence. He touched our lives and we are so proud to have known and have received Gods word through him.*

*I will never forget the look on Mindys face when Preacher Poole and Mrs. Jo walked into ICU two days after her accident. I dont think anyone that came to see her had even a close impact on her. I remember when he prayed with her in ICU and handed her his card how she looked up at him and said will you please come back and see me. She held that card for hours and when I got it out of her hand she carried it in her gown pocket for days. We still have that crumpled card. She truly loved him and he will always be her pastor.*
