“ Linda, Jenifer and I wanted you to know how sorry we are for you and your childrens loss. I can't tell you how many times I would go in your office meaning to say hello and stay 5 minutes and Rick would grab me and start talking to me about business and life and I would stay an hour. I always walked away a little bit smarter after talking to Rick. Anything you need you call us. We got your back. “ Teresa,

I wanted to let you and your family know that you are in my prayers! Seeing your parents at soccer and softball games was a testament of their love for their grandbabies! Allison always talked about how blessed she was that you and your parents loved Avery & Braxton like you do! It truly shows what good people you are! I am so sorry for you and your family -- I cannot even imagine what you are going through and you are all in my prayers! If there is anything that we can do please let me know!###imported-begin###Jennifer Broome Ray###imported-end##

“ Linda, Words can not express the sadness I feel. I pray that God will give you and your children strength. Rick will be sorely missed by everyone that he touched. I thought the world of him and I'm deeply saddened. They say the Good die young, that's so very true in his case. I've never met a nicer, sweeter guy. God be with you and try to take comfort in knowing that he is now in the arms of The Father above and will be content for eternity. Love, Judy###imported-begin##Judy Nolin###imported-end##
