“ I remember Richard as always being good to my sister. She found her soul mate in him. He was great with all 3 girls. I never heard him complain about anything. Never knew him to be mad. (some may know different). He was a hard worker right up to the end. He looked after his family his mother and sisters. He also did what he could for my mother when she was with us. He surely will be missed. We know he is in a better place. He could do some great grilling on Mother's Day. Love you little sister

“ Thank you for always making me feel welcome in your home, even though Katlyne and I's sleepovers usually turned into a week long event. Even after years of me moving and my visits becoming less frequent, I always felt right at home. You will be missed deeply.
