“ Richard was the best big brother that anyone could have. He was always there to protect me. There were many laughs and much love. I'm so blessed to of had him in my life. And I'm so thankful that I got to be apart of his birthday celebration back in January. Love you so much. Going to miss you at our taco parties when I come home to visit. Love you and miss you.
May God be with our family during these times.

“ Growing up from wild teenagers and into becoming young adults I spent much of my time with my good friend Zach, hanging out on Cool Creek Dr.

Both Marilyn and Richard embraced me and made me feel apart of the Leoffles family, for that I am very grateful.

Much more than that though are all of the times spent chatting with Richard... giving us advice when needed, a stern conversation when we would do things that were definitely not the smartest, or having me double over laughing so hard listening to some story from his younger days.

Richard has left an impact on my life in a fantastic way to this day, and knowing him, Both as a looking for a good time young man- and the father of two I am today I am thankful.

Marilyn, Chelsea and one of the best friends I've had through the years Zach- Love you guys
