“ *Dale is sharing memories as I post. “Oh yeah, I have lots of memories. We were good friends in grade school and after. he lived in the big house where Bringlesons lived on Deselm Road, then they moved by the lake in Manteno. We were in the same class. he was more athletic than I was. remember skinny dipping in the creek. He had a dog Named Tauser. We just played by the creek with our dogs. Dick played baseball n basketball I think.” We stayed with Dick n Shirley. Couple of times and had a wonderful time. Always knew what Dick believed.in. Wonderful to know that. Shirley and I really had a good time together, always wished we lived closer. So...sympathy and prayers for all of you. Love.*
