“ Thoughts and prayers to Darnice, Michael, Dillon and Brittany. Uncle Richard was a thoughtful, funny and caring person. If there is no peanut butter in heaven, I'm sure he will find a way to make and share it with his neighbors there. Love you Uncle Richard....Bub, Twyla & family

“ While we shed our tears here on earth at the loss of someone we loved so dearly, I know there must be lots of laughter going on in heaven as this "kid" went home to glory. He so loved laughter, and fun, and making others laugh. And Richard, I know your mansion has a campfire just outside the door - you can kick it and poke it all you won't to.... it'll stay lit for you. I'll never, ever forget the "stink tree" you drug up out of the creek and threw on the fire. Everybody could smell that horrible smell except you. We love you Richard, and are saddened by your leaving - but rejoicing in your homegoing. Love, Judy and Randy
